How accountability ratings work

Overall campus rating

Description: This measures, for each individual school, what students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school prepares their students for success after high school in college, the workforce, or the military.

STEP 1 Calculate the scores for each domain

Student Achievement

A

93 out of 100

School Progress

B

85 out of 100

Closing the Gaps

C

78 out of 100

STEP 2 Determine which score is greater, Student Achievement or School Progress. The higher score will be included in the final calculation.

Student Achievement

A

93 out of 100

>

School Progress

B

85 out of 100

STEP 3 Calculate the weighted sum of Student Achievement or School Progress (whichever is greater) and Closing the Gaps

	Score	Weight	Weighted score
Student Achievement	93	70%	65.1
School Progress	85	n/a	n/a
Closing the Gaps	78	30%	23.4
Total weighted score			88.5

Overall district rating

Description: This measures, for each district, what students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school prepares their students for success after high school in college, the workforce, or the military.

STEP 1 Determine proportional weighting of campuses
Sample district: total grade 3 to 12 enrollment = 2,417

Campus	Grade 3 to 12 enrollment	Calculation	Weight
Campus 1	334	$334 \div 2,417$	13.8%
Campus 2	990	$990 \div 2,417$	41.0%
Campus 3	62	$62 \div 2,417$	2.6%
Campus 4	761	$761 \div 2,417$	31.5%
Campus 5	270	$270 \div 2,417$	11.2%

STEP 2 Calculate the district scaled score for each domain based on the proportional weighting of campus scaled scores
Example: School Progress district domain rating

Campus	School Progress scaled score	Weight	Points
Campus 1	85	13.8%	11.730
Campus 2	85	41.0%	34.850
Campus 3	77	2.6%	2.002
Campus 4	72	31.5%	22.680
Campus 5	67	11.2%	7.504
District School Progress domain scaled score			79

STEP 3 Calculate the weighted sum of Student Achievement or School Progress (whichever is greater) and Closing the Gaps

	Score	Weight	Weighted score
Student Achievement	93	70%	65.1
School Progress	79	n/a	n/a
Closing the Gaps	78	30%	23.4
Total weighted score			88.5

2026 A-F accountability ratings appeals process and timeline

The commissioner of education is required to provide a process for school districts (districts) and open-enrollment charter schools (charter schools) to challenge an agency decision relating to an academic rating that affects the district or school, including a determination of consecutive school years of unacceptable performance ratings (Texas Education Code [TEC], §39.151).

District and charter schools' responsibility for data quality is the cornerstone of a fair and uniform rating determination. District and charter school appeals that challenge the agency's determination of the accountability rating and/or determination of consecutive school years of unacceptable performance ratings are carefully reviewed by an external panel. District superintendents and chief operating officers of charter schools may appeal accountability ratings by following these guidelines.

Wed 8/12/2026	2026 Preliminary Ratings Release on TEAL Login (TEAL). Appeals Window Opens Appeals may be submitted by the superintendent or chief operating officer once ratings and year counts are released.
Wed 8/12/2026 to Fri 9/11/2026 30 DAYS	2026 Appeals Window. Districts and charter schools register their intent to appeal using the TEAL Accountability application. Districts upload their appeal letter and supporting documentation in the TEAL Accountability application, send by mail, or hand-deliver. Appeals not signed by the district superintendent or chief operating officer of the charter school are denied.
Fri 9/11/2026, 5pm DAY 30	2026 Appeals Deadline. Appeals must be uploaded in the TEAL Accountability Appeals system, postmarked, or hand-delivered by 5pm no later than the date shared by TEA in conjunction with the preliminary ratings release into the TEAL Accountability application.
Prior to 12/11/2026	2026 Rating Decisions Provided to Appealing Districts Commissioner's decisions are provided in the form of response letters to each district and charter school that filed an appeal by the submission deadline. Letters are posted to the TEAL Accountability application.
Fri 12/11/2026 DAY 90	2026 Final Ratings and Count of Consecutive Years of Unacceptable Performance Release. The outcomes of all appeals are reflected in the final ratings and year counts update. The TEAL and public websites are updated. Ratings and year counts are subject to change due to the results of an audit, compliance review, or investigation.
